

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

J. H. Lewis of Newport, a plumber, has filed a petition in bankruptcy with Clerk F. S. Platt of the United States court. He has liabilities of \$881.11 and assets of \$600, with \$150 claimed exempt.

A field day and dedication is to be held at the Kurn Hattin homes in Westminister Sept. 16, when their new building, the Ainsworth cottage, will be dedicated. On that day the buildings are to be open for public inspection.

James Carley's barn in North Springfield was destroyed by fire Wednesday, with its contents. All the live stock was out at pasture. It is supposed the fire started from spontaneous combustion, caused by green hay in the hay loft.

Edward Lovell, a Springfield young man, 21 years of age, was found dead in a pasture in that town, where he had gone for a missing cow, last Tuesday night. Four play was at first feared, but a diagnosis by a physician developed the fact that apoplexy was the cause of his death.

The three-year-old son of Mr. and Mrs. Fred Dunn of Gardner, Mass., one of an automobile party which had rooms at the Adna Brown hotel in Springfield, fell from a third-story window Thursday, to the concrete pavement. An aving on the second story broke injured somewhat and he was not badly injured, although his front teeth were broken.

SHOT TO DEATH BY YOUTH.

William C. Kimball had been warned to "Look Out."

Rutland, Sept. 8.—William C. Kimball, manager of F. Chaffee's sons' farm on the Stratton road, died of hemorrhage at the Rutland hospital at about 1 o'clock Sunday afternoon at a result of a wound from a rifle bullet fired into his body accidentally by Ambrose Raymond, 10-year-old son of Maxime Raymond of Stratton road. The authorities made an investigation immediately after the shooting but nothing was done with the little boy.

Mr. Kimball went to the Raymond house to see Maxime Raymond. As he approached the boy came out and pointed the rifle at him, saying: "Look out, I am going to shoot you." Mr. Kimball warned him to be careful, having hardly spoken the words when there was a report and the bullet entered his abdomen piercing the liver and intestines. The injured man's son, Lester C. Kimball, soon came along in his milk wagon and William Kimball was taken home and later in the Stearns ambulance, to the hospital. Dr. R. E. Smith and Dr. E. M. Pond operated upon the man but it was impossible to save his life.

Mr. Kimball was born in Huntington, April 11, 1863, and had lived in Rutland.

Don't Be Bothered with Coughing.

Stop it with Foley's Honey and Tar Compound. It spreads a soothing, healing coating as it glides down the throat, and tickling, hoarseness, and nervous hackings are quickly healed. Children love it—tastes good and no opiates. A man in Texas walked 15 miles to a drug store to get a bottle. Best you can buy for cough and bronchial coughs. Try it. For sale by all druggists.—Adv.

A Lame Back—Kidney Trouble Causes It. And it will give you even worse if not checked. Mrs. H. T. Strayner, Gainesville, Ga., was fairly down on her back with kidney trouble and inflamed bladder. She says: "I took Foley's Kidney Pills and now my back is stronger than in years, and both kidney and bladder troubles are entirely gone."—Adv.

Signals of Distress

Barre People Should Know How to Read and Heed Them

Disordered kidneys give many signals of distress.

The secretions may be dark, contain sediment.

Passages are sometimes frequent, scanty, painful.

Backache is often present day and night.

Headaches and dizzy spells may occur.

Weakened kidneys should receive quick help.

Don't delay! Use a special kidney remedy.

Doan's Kidney Pills are for weak kidneys, backache and urinary disorders.

Barre evidence proves their worth.

Frank E. Adams, 47 Elm street, Barre, Vt., says: "I have used Doan's Kidney Pills for several months, and they have proved a valuable remedy. For some time I had been troubled by my kidneys. My back ached and I had pains in my sides. Doan's Kidney Pills cured my kidneys. I highly recommend them."

Beware of Ointments for Catarrh That Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system by entering it through the mucous surfaces. Such articles never bound except on prescriptions from reputable physicians, as the damage they do is tenfold to the good they do.

Dr. J. C. Cheney & Co., Toledo, O., manufacture the Catarrh Cure, and it is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Halls Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by J. C. Cheney & Co., Toledo, Ohio.
